

Additional Information for Residents on Electric Bills

CSHB 1799 by Rep. Bohac

AECT Position: Support

Proposal

- CSHB 1799 requires a retail electric provider (REP) to include on a residential customer's bill a statement that customers can receive more information about residential electric service at the Public Utility Commission of Texas sponsored website www.powertochoose.com.

AECT Position

- AECT supports CSHB 1799 as a measure to help consumers become better informed about the retail competitive electric market.
